How to find the crag:

Drive from Scheßlitz in the direction of Wattendorf. In a T-junction before Wattendorf, turn left in the direction of Kümmersreuth. Drive through Kümmersreuth and park outside the village where the last road turns to the right from the main road. Follow the road on the field, signposted "Kemitzenstein" towards the wood. After 500 metres, in the wood, you will find this crag.

51. Torborgen

east
8 m.

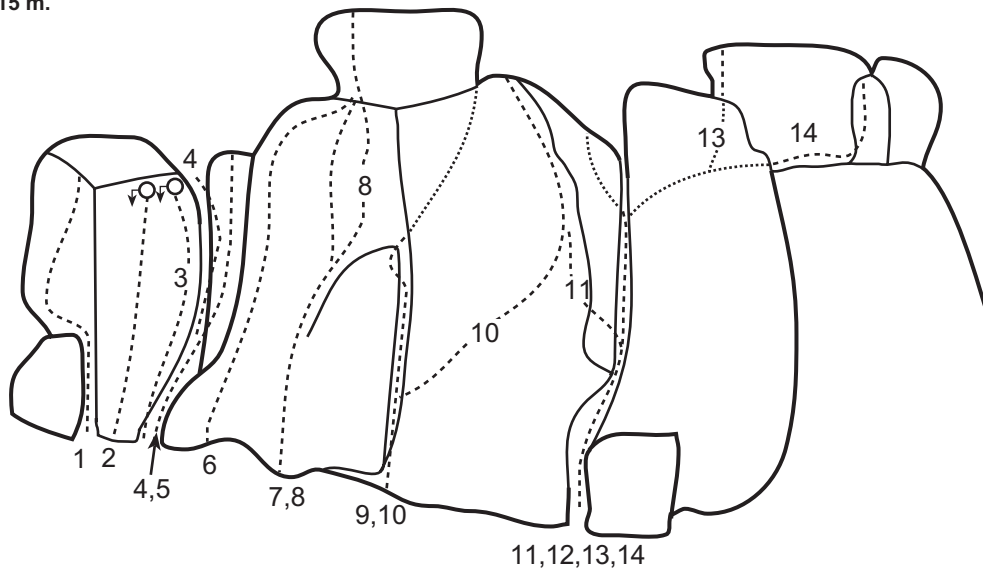

How to find the crag:

Drive from Frienfels and pass the village Krögelstein and park your car on the outskirts as you are leaving the village near a poultryhouse. For crag 49 and 50, follow a gravelled road that leads to a couple of houses. Turn left farthest a feald and walk for 100 metres. For crag 51, park at the same place. Follow a track with a signpost, Kaiserbachtal, over a feald, over a small bridge and in to the wood. The crags can be a little bit tricky to find but the crags, and the village Krögelstein, is well worth visiting.

73. Brockfels

South
15 m.

How to find the crag:

Park on the outskirts as you are leaving Streitberg in the direction of Wüstenstein. Follow the road "Muschelquellenweg". Walk this road until you reach the spring "Muschelquelle". Just a little bit further on is the Glatte Wand. A track leads to the crag. For Brocksfels, continue on the small road, and pass a small house (Hütte), look to the left and you find a track, follow that and you reach the crag.

Drive from Behringersmühle in the direction of Oberailsfeld and continue 3,5 km after you left the village and park. Continue in the same direction about 200 metres. Before a little crag that stands near the road a track turns to the right. After a short walk you cross another track, hold left and continue and pass a bench and then in the next cross you should hold right.

Direction
Kirchahorn

How to find the crag:

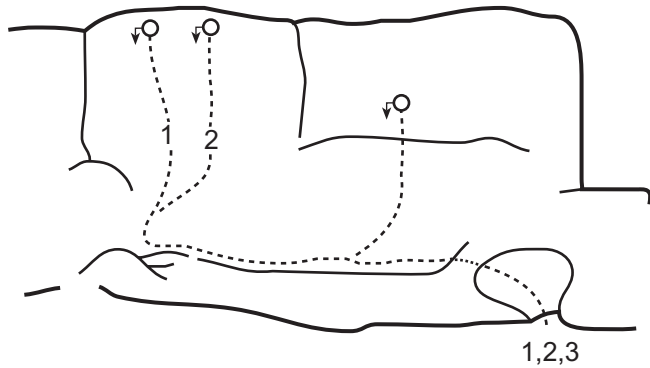

Schlupflochfels: Drive from Oberailsfeld in the direction of Kirchahorn. Park near a big overhang. 30 metres from the car park you find a wooden bridge, pass over that and walk 125 metres on the other side of the valley to the crag.
Rabenstein: Between Oberailsfeld and Kirchahorn you find this powerful crag by the road. You will find a car park by the crag.

Direction
Kirchahorn

How to find the crag:

Burn for you: Park on the car park by the castle of Rabenstein. Walk over Ailsbach on the bridge and follow the track to the crag.
Witchcraft: Park on the car park near the "Gasthof Neumühle", but not at the Gasthof parking. You can see the crag from here but don't walk direct towards it. Instead, walk on the road and then left on a small track and then out on a bigger track. Follow this and then sharp left at a crossroad, and continue to the crag.
Heldwand: Drive from Oberailsfeld in the direction of Kirchahorn. Pass the "Sophienhöhle" and take the road to the right shortly after and park. The road to the left leads to the crag.

How to find the crag:

Lustige Wand and Vogeltränke: Drive 1 km from Gößweinstein in the direction of Stadelhofen, park on a car park made for tourists/footpath. Take the small road in the wood in the direction of Prügeldorf, after 350 metres a track cross the road where the pavilion is suited. Take right for Lustige Wand or left for Vogeltränke, a short walk to both.

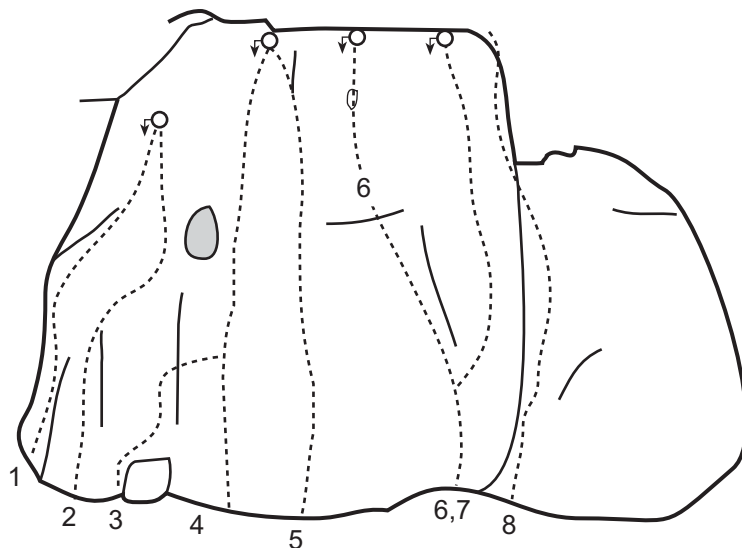

Prügeldorfer Wand: Park at the same place as for the crags above. On the small road in the wood, continue and pass the crossing track and walk until you will come out of the wood, after 100 metres, take right over the meadow and into the wood again, after 200 metres you will find the crag.

How to find the crag:

Henrichsgrotte: Park in Burggailenreuth. Locate a track, marked with Blue stripes. Follow that until you come to a red/white fence and then follow a ditch to the left that leads you to the crag.

Fritz Teifel Ged.-Wand: Park in Sachsenmühle. Follow the railway and the small road alongside it for 1 km in the direction of Bahnhof Gößweinstein. Before you reach the railway station a track turns off to the left. Follow that. After a short walk you pass a table with benches, locate a track up to the left and follow that for 100 metres to the crag.

Kolumbuswand: Continue and pass the table, walk approximately 300-400 metres more and then you reach a crossroad where a track turns sharp left. Follow that to the crag.

How to find the crag:

Crag number 251 and 252 is closed for climbing.
To find Rodenstein, drive from Schlaufhausen on the road signed "Walberla". After a short drive you find the car park on the left side of the road. Continue by foot and when you reach the track, chose the one that turns sharp to the right to reach the crag.

255. Haidhofer Schloßbergwand

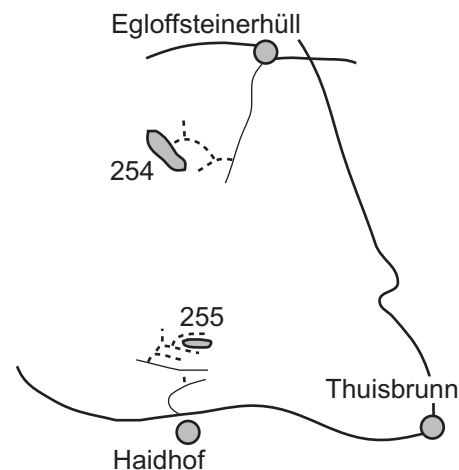

Northeast
12 m.

How to find the crag:

254: Park in Egloffsteinerhüll at the "Gasthof Polster". Walk on a small road that leads to the south, after 500 metres a ditch is on your right. Follow that and pass some small overgrown crags. 100 metres later a smaller ditch turns off to the left, follow that into the wood. After 200 metres you should see the crag.

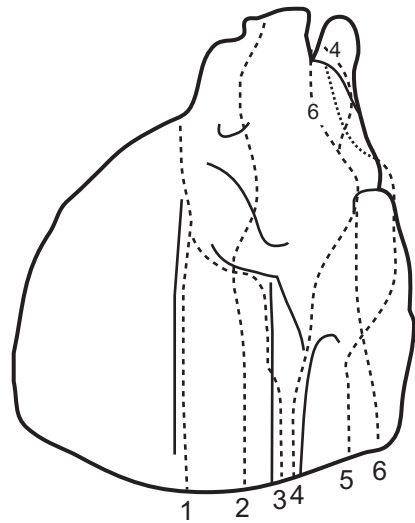

255: The crag is possible to see from Haidhof where you parked. Locate and follow a smaller road that leads to a garage. Before you reach the garage a road turns left on the field. Follow this and you will cross another road in the wood, follow that to the left. When you come to a signpost, "Schloßberg", take right, a short walk and then right again and finally over a wooden bridge to the crag.

How to find the crag:

Drive through Vorra and continue in the direction of Hirschbacher. Turn where the road does a S-bend, you should then be on "Raifeisenstraße". Park where the road is blocked. The road continue on a field, follow this and look for green marks. After about 5 minutes walk you will see two small houses on your right hand, pass these and 50 metres later you should choose a field road that turns left. You will reach a field. Walk on the edge of that field, hold right and when you pass a corner of the wood you have the Große Wacht on your right hand. You will find Kleine Wacht from the same field.

How to find the crag:

Drive from Waischenfeld in the direction of Nankendorf. After 350 metres, before the T-junction where the road to Hubenberg turns to left, you should park at a big car park on your left. Walk on the footpath "Gelbpunkt" in the direction of Waischenfeld. After 150 metres you should follow the small road that turns into the footpath. After 200 metres a track turns up to your right, follow that 50 metres to find the crags.

How to find the crag:

Schlupflochfels: Drive from Oberailsfeld in the direction of Kirchahorn. Park near a big overhang. 30 metres from the car park you find a wooden bridge, pass over that and walk 125 metres on the other side of the valley to the crag.

Fuchsbau and Zamonien: Pass Schlupflochfels, in the following cross, hold left and follow the track through the wood for approximately 100 metres. To the right you will find Fuchsbau and to the left Zamonien.

How to find the crag:

Drive from Gößweinstein in the direction of Hartenreuth. 500 metres after you have passed Türkelstein a small road turns to the left. Park your car here. Follow the small road, after 200 metres, hold left in the cross. Continue 150 metres and then turn left on the track into the wood. After 150 metres you will pass the "sector Fuchsbau" (no TOPOS). Continue on the track to the crag.
